

Rimage Network Publisher 8.0 Service Pack 1

This document describes the changes made with the Rimage Network Publisher 8.0 SP1.

Compatibility

Rimage Network Publisher 8.0 SP1 is compatible only with Rimage systems using **Producer Software Suite 8.0 and higher** or **OfficeNet Software Suite 8.0 and higher**.

Changes to Rimage Network Publisher Components

- Resolved an issue to now allow Network Publish 8.0 to work correctly with Producer Software Suite 8.1 and higher. (Rimage reference #8251)
