

Certificate of Compliance

To Whom It May Concern:

Rimage Corporation claims exemption on pre-registration, registration and notification of SVHC (Substances of Very High Concern) under the REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) regulatory program since the total amount present or released in our products and/or packaging that are produced and/or imported does not exceed 1 metric tonne per year per producer or importer.

This document certifies to the best of our knowledge that the following Electrical and Electronic Equipment (EEE) components, packaging and consumables supplied by Rimage Corporation comply with all the requirements of the Waste Electrical and Electronic Equipment (WEEE) Directive 2002/96/EC, Restriction on Hazardous Substances RoHS2 Directive 2011/65/EU, China RoHS and the Rimage QMS1020 Restricted Substances Management Specification:
